Come hear Adam Paa, Foster and Adoptive Parent, Social Worker, Counselor, and Minister

Be inspired by our dynamic guest speaker Adam Paa. Since their marriage in 2005, Adam and his wife Susan have had the blessing of fostering five children and adopting five more. In all, they have had the joy of parenting ten children they love deeply. Encouraging, coaching and supporting foster and adoptive families are among the highest values for Adam and Susan.

Adam met Susan Jones in social work class at Abilene Christian University, where he and she earned their degrees. He later received a master's in social work from University of Texas in Arlington.

Professionally, Adam spent 14 years serving in K-12 schools as a social worker, counselor, and prevention specialist. Four of those years were spent serving at Greater Atlanta Christian School as a high school counselor.

In 2015, Adam was called into vocational ministry as the recovery and adult discipleship minister at North Atlanta Church of Christ. In 2021, Adam and his family moved back to Texas to serve on staff at The Village Church in Flower Mound, TX. Adam serves as a care minister and is the director of redemptive care.

Georgia Agape, Inc. is a licensed child-placing agency serving abused, neglected and dependent children through our foster care and adoption programs.
